

Operable Partitions Trim Selector

- 600 Series
- Summit Vertical

Standard Trim Colors

(Included in the price of your operable partitions)

- » To help select the right trim color for your project, the trim color blocks are edge justified to compare to your operable partition wall covering selection(s).
- » Only the exposed metal trim is painted / powder coated.

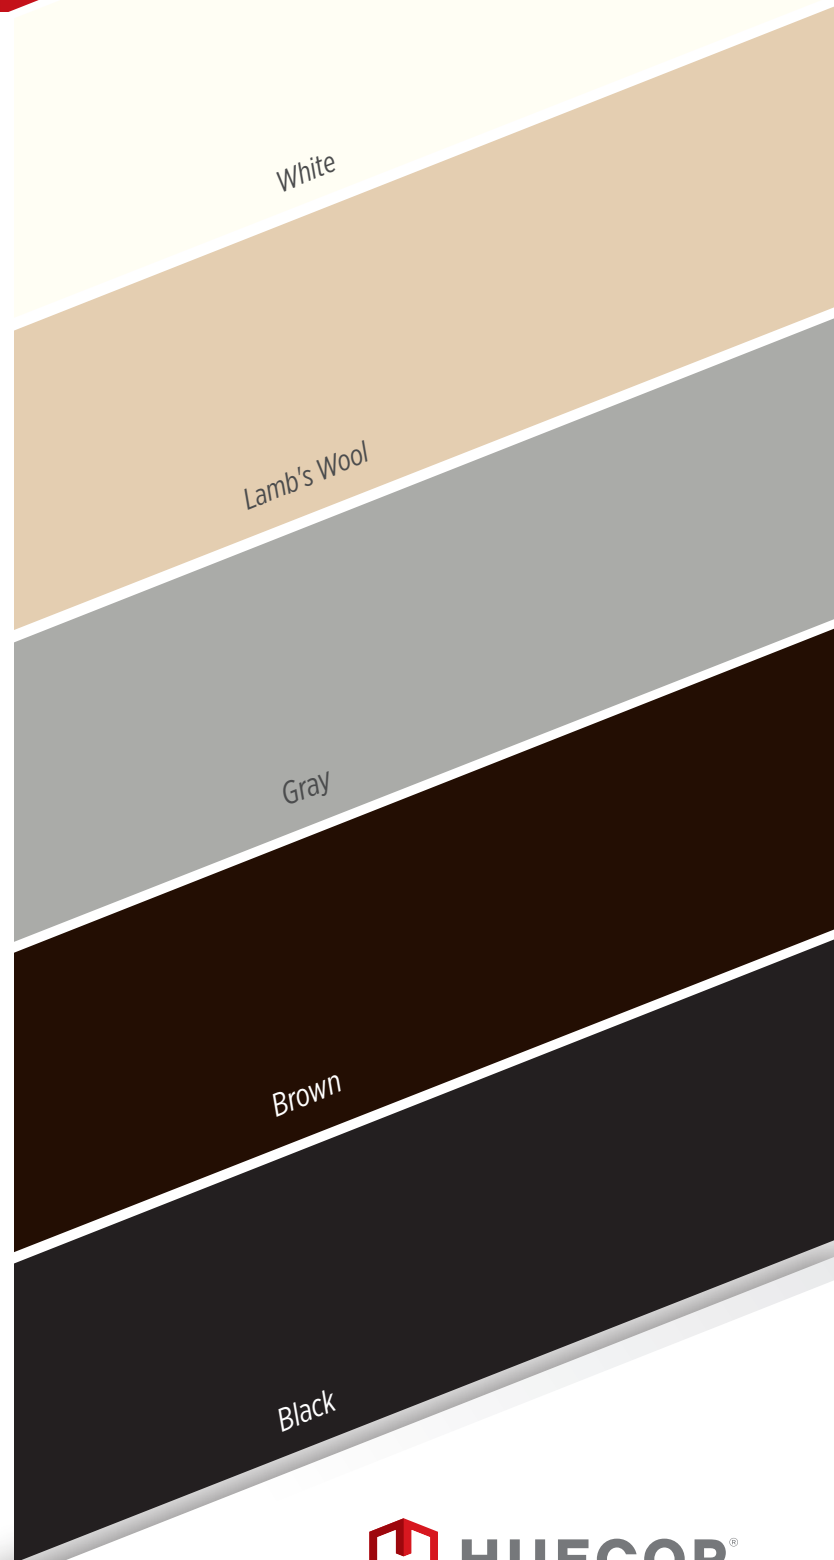

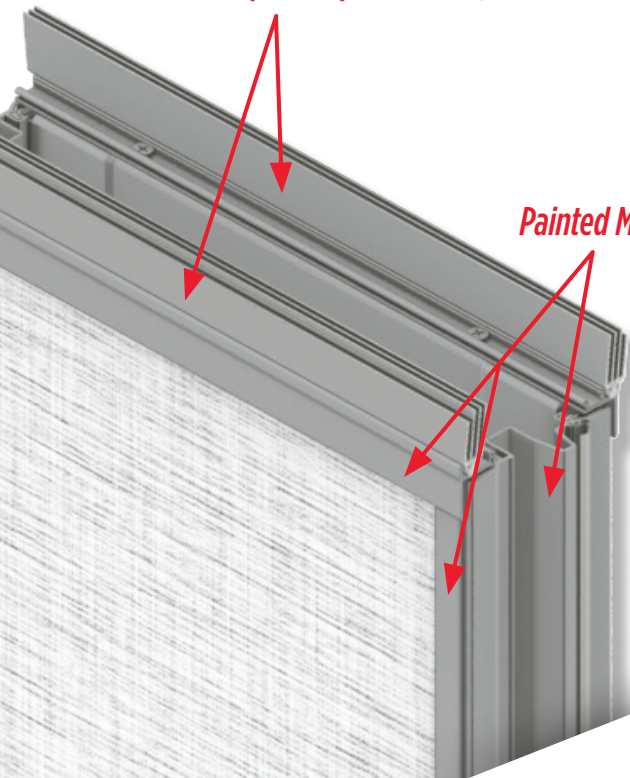

**Plastic or vinyl parts are ONLY available in the following color options:*

- Lamb's Wool
- Gray
- Brown
- Black

» SEE ADDITIONAL NOTES ON REVERSE SIDE

Vinyl Sweep (*see color options above)

Painted Metal

Operable Partitions Trim Selector

- 600 Series
- Summit Vertical

Custom Trim Colors

- » *Custom trim colors will require additional leadtimes and premium upgrade costs to the project. Additional leadtimes and costs vary based on the nature of the custom request.*
- » *Custom color trim options can be matched to your specific project and/or operable partition wall covering selection(s) by sending us a sample of the color match requested.*

Additional Notes

- » *Color options apply to our 600 Series Operable Partitions and Summit Vertical Lift Partitions*
- » *Actual color may vary from what is shown due to variations between the print and paint processes. Room lighting may also change the color's appearance.*
